DBL

You Can Trust

PROOF OF DELIVERY

WITHIN 30 SECONDS AFTER DELIVERY

WITH 'REAL TIME' INTERNET DOWNLOAD TO YOUR COMPUTER

PLEASE TRY THIS!!!!

Type this url into your internet browser:

www.u-p-n.co.uk

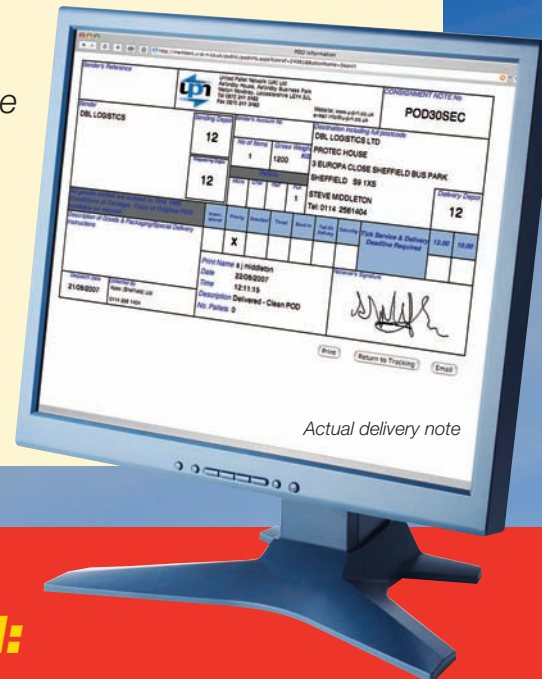

Type **pod30sec** into the consignment box on the left.

You can see the actual delivery note details of **'your despatch'**, showing recipient name and signature, time of delivery and if it's a clean delivery (ie. no damages).

The XDA is also-

- A Phone (for contacting the driver)
- Digital Camera (should there ever be a need to photograph any damages)
- Route Planner and Delivery Sequence for the driver's delivery round

- **print** off the delivery note for your files or for attaching to your invoices to your customer.
- **email** the POD delivery note direct to your customer. (simply click on either box just below the delivery note).

Actual delivery note
